VEHICLE OWNERS SET TO BENEFIT FROM FEE REDUCTION

~Lower registration fees will save taxpayers millions~

TALLAHASSEE, Fla. –The Florida Department of Highway Safety and Motor Vehicles applauds Governor Rick Scott and the Florida Legislature for reducing annual motor vehicle registration fees that allow Floridians to keep more of their money in their own pockets. Under legislation signed into law today by Gov. Scott, vehicle owners in Florida will save millions annually on their registration fees which are set to decrease beginning September 1st.

“I am honored to stand with Governor Scott today as he signed this important legislation that benefits every Floridian that drives a car. This reduction will benefit all of our families and businesses,” said DHSMV Executive Director Julie Jones. “We look forward to continuing to provide a high level of service, but at a lower cost to our customers.”

The Department urges motorists to renew their registrations for one year instead of opting for a two-year renewal prior to September 1 in order to take advantage of the lower fees next year.

The Florida Department of Highway Safety and Motor Vehicles provides highway safety and security through excellence in service, education and enforcement. The Department is leading the way to a safer Florida through the efficient and professional execution of its core mission: the issuance of driver licenses, vehicle tags and titles and operation of the Florida Highway Patrol.
